

## Getting Started Worksheet Referrals for Social Emotional Risk

### Identify System Supports and Partners

Identifying and establishing relationships with community partners is critical to your local process. For children who are at risk (per their developmental and behavioral screen OR due to psychosocial problems such as maternal depression, domestic violence, or substance abuse) the following community partners can be excellent resources for families. To facilitate referral and management it is recommended that you develop a customized list for your practice.

#### Children's Developmental Services Agency (CDSA)

Intake (name) \_\_\_\_\_  
Phone \_\_\_\_\_  
Fax \_\_\_\_\_

#### Preschool Director \_\_\_\_\_

Phone \_\_\_\_\_  
Fax \_\_\_\_\_

#### Medicaid Independently Enrolled MH Providers who serve 0-5

\_\_\_\_\_ (see [www.dhhs.state.nc.us/dma](http://www.dhhs.state.nc.us/dma) "Provider Links" Under Contact Lists, click on Mental Health Provider List. OR [www.ncpeds.org](http://www.ncpeds.org) link on home page Contact child providers to be certain they serve the 0-5 population)

### CHILDCARE & EARLY EDUCATION RESOURCES

#### Regional Resource & Referral Center

\_\_\_\_\_ Infant-Toddler Specialist \_\_\_\_\_  
Behavioral Specialist \_\_\_\_\_  
(To request specialist to consult with Child Care Teacher and Parent)

#### Smart Start Local Partnership
