

Advisory Board Development

Key Participants

Project Champion(s)	EPSDT
AAP	Public Health
AFP	Mental Health
Part C	Family Support Network
Part B preschool	ECCS
Medicaid	Medical Home Initiatives
State-specific 0 – 5 Initiatives	

Rationale

- Facilitate removal of barriers
- Promote and facilitate removal of barriers.
- Assist with data collection/provide key associated data (e.g. EI rates).
- Key for replication and maintenance.

Timing

After pilots have acquired experience with the office process and effective collaborative processes, and are able to identify systemic barriers and needs.
