Integrating Primary and Behavioral Health Care Health Centers as Health Homes

October 7, 2009

**Donald L. Weaver, M.D.
Assistant Surgeon General
Deputy Associate Administrator for Primary Health
Care
U.S. Department of Health and Human Services
Health Resources and Services Administration**

Building on Our Past

- Mental Health: A Report of the Surgeon General -1999
- HRSA-SAMHSA Summits - 2000-2004
- New Freedom Commission on Mental Health – Achieving the Promise: Transforming Mental Health Care in America

Joint Principles of the Patient-Centered Medical Home

- AAFP, AAP, ACP, and AOA
- Personal physician
- Physician directed medical practice
- Whole person orientation
- Care is coordinated
- Hallmarks are quality and safety
- Enhanced access through a variety of means
- Payment recognizes the added value

- Government-wide Workgroup on the Integration of Primary and Behavioral Health
 - Compendium
 - EPC Report
 - Integration Summit
 - Other workgroups: suicide prevention, payment, employment for individuals who have SMI, care for our returning warriors and their families, telehealth, and women & violence

Primary Health Care Mission

Improve the health of the Nation's underserved communities and vulnerable populations by assuring access to comprehensive, culturally competent, quality primary health care services
