Remember: The portal is only to be used for children 0-5 years old. SoonerCare Choice Medicaid patients have demographic information pre-installed in the portal. Other patients can be added using “Add New Patient” function.

# Start Page – After Log On

The screenshot shows a web browser window titled "PSRS Application - Main Menu - Windows Internet Explorer". The address bar displays "https://psrs.us/PSRS/logon.do;jsessionid=715137EC2C0A4F7E6BD45EB8C8712219". The page content includes the following elements:

- Header:** "Preventive Services Reminder System" logo with a family icon, and "Department of Family and Preventive Medicine at the University of Oklahoma Health Sciences Center".
- Section:** "PSRS Main Menu".
- Menu Items:**
  - Patient List** -----> Display patient demographics
  - Search By Appointment** -----> Search by patient appointment
  - Search By Patient** -----> Search by patient name, DOB or clinic
  - Add New Patient** -----> Add a new patient record
  - Forms & Handouts Management** -----> Print EPSDT forms and patient education handouts
  - Log Off** -----> Physician list, vaccine inventory, and patient recalls
- Footer:** "Contact Us" link, "Department of Family and Preventive Medicine The University of Oklahoma Health Sciences Center P.O. Box 26901 Oklahoma City, OK 73190", and "© 2010".

The browser's taskbar at the bottom shows several open applications: "User Names - Mic...", "ABCD Zsoft - Micr...", and "PSRS Application ...". The system tray indicates the time is 11:07 AM on 3/1/2011.

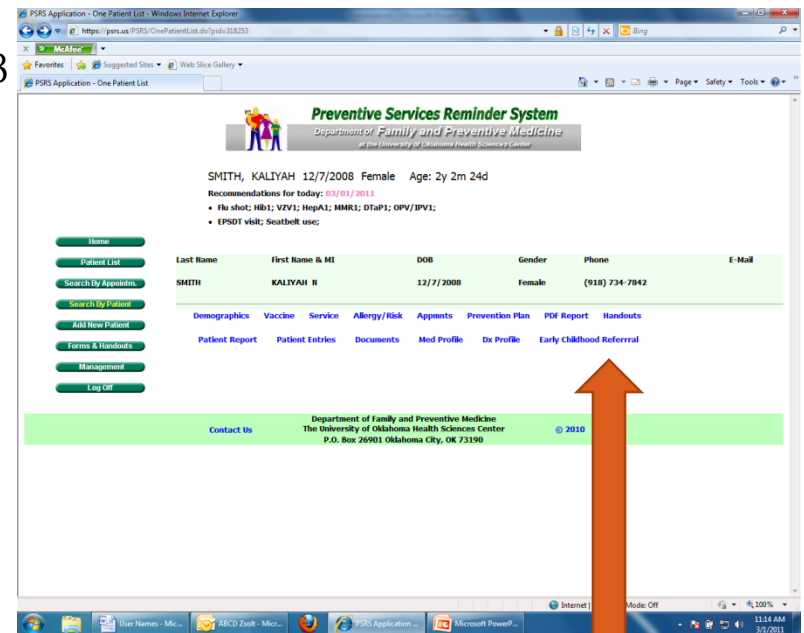

1. Search By Patient – ALWAYS use this tool for searching for a patient. Do not use “Patient List”
2. Management – To be used for managing your current patient load

# Search By Patient

3

1. Search using one or more of the fields
2. Click on the patient's name (it will be blue – this step not shown)
3. Click on Early Childhood Referral
4. Send New Referral (Clinicians) or Referral History (Clinicians and County Teams)

# Management

The screenshot displays the 'Preventive Services Reminder System' web application. The page title is 'PSRS Application - Referral List'. The main content area features a navigation menu on the left with buttons for Home, Patient List, Search By Appointment, Search By Patient, Add New Patient, Forms & Handouts, Management, and Log Off. The central section is titled 'Early Childhood Referral List:' and contains a table with the following data:

Referral ID:	Status:	Patient Name:	Patient DOB:	Referring Organization:	Action Date:
8	Pending		8/17/2010	Integris Canadian Valley Regional Hospital	2/28/2011
7	Pending		8/20/2009	Hanes Pediatrics	2/24/2011
6	Pending		6/14/2009	Integris Canadian Valley Regional Hospital	2/23/2011
9	Pending		3/10/2009	Integris Canadian Valley Regional Hospital	2/28/2011

Below the table is a 'Back to Menu' button. The footer of the application includes a 'Contact Us' link and the following text: 'Department of Family and Preventive Medicine, The University of Oklahoma Health Sciences Center, P.O. Box 26901 Oklahoma City, OK 73190'. A copyright notice '© 2010' is also present.

1. This shows all of the referral case loads in the system.
2. Sorted by Pending, In Process, or Completed (red, yellow, green)
3. This is where you “work” and “process” a child’s file
