

ABCD Healthy Beginnings Evaluation

Lessons Learned

1. As co-chair of your subcommittee, what have you learned about promoting social and emotional development in primary care? What have you learned about identifying material depression in primary care?
2. What was the easiest part of your work on the subcommittee?
3. What was the most challenging part of your work on the subcommittee?
4. What has surprised you about this work?
5. If you could start over, what would you do differently and why? What would you do the same and why?
6. What advice would you give to a primary care practice/provider who was interested in promoting social and emotional development?
7. What advice do you have for the Healthy Beginnings leaders?
8. Is there anything else you would like to share?
